Hello!
My name is Breezy!
I am your new friend
at the park!

Get to know Breezy, our new friend!

Breezy is an 18-year-old Appaloosa mare who was a former barrel racer! After a leg injury ended her racing days and her owner moved, she was put up for adoption through the New England Equine Rescue. She was being fostered up in New Hampshire for two years before we found her. Her foster owner describes her as "the sweetest little girl you'll ever meet".

She LOVES gentle attention from her humans and can even smile on command! Since arriving at Endicott Park, she and Milo have become the best of friends, and she's even starting to like Colby, who has been a real gentleman throughout the process of her adjusting to her new home. We are excited for you all to meet her!
