BECOME A MEMBER

JOIN US TODAY!

The Friends of Endicott Park was created in 1995 to educate the general public about the purpose and history of Endicott Park, while promoting the accessibility to and appreciation of the park.

Becoming a member will help support the needs of the park, including feeding the animals, assisting with veterinary costs, and facility enhancements.

2023 Recap

The *Endicott Park Fitness Trail* was renovated and funded in-part with a \$20k donation from the Friends of Endicott Park. Park staff completed installing 13 brand-new fitness stations along the 1.8-mile fitness trail. An official grand opening event will be held in the Spring of 2024!

Looking ahead to 2024

Several projects are approved for 2024, and already underway. They include the donation of 5 trees to the park, and an additional \$2k for the medical care of the park animals.

The following exciting projects are under consideration: *Corn Crib*, *Wetlands Walk*, *Outdoor Nature/Education Center* and the use of the *Tallow House as a mini farm stand*.

ORDER NOW!

Endicott Park Children's Book

Endicott Park's own Park Rangers Ryan Duggan and Nicki Pzenny worked together to write and illustrate a Children's Book about Endicott Park for all the kids who know and love it. Books will be sold for \$20 each. All proceeds will benefit the Friends of Endicott Park, a 501c3 charitable organization.
